EUAN MORGAN

COMPUTER SCIENCE STUDENT | WEB DEVELOPER
EUANMORGAN.GITHUB.IO

OBJECTIVE

I am a second year Computer Science student and I am looking for a job in web development.

SKILLS

I am a developer with knowledge in:

- **HTML**
- **CSS**
- **JavaScript**
- **React**
- **React Native**
- **SQL**
- **FLASK**
- **Python**
- **Java**
- **Visual Basic**

I also have the following skills:

- **Communication**
- **Team working**
- **Time management**
- **Problem solving**
- **Creativity**
- **Adaptability**

EXPERIENCE

WEB DEVELOPER • GUITARLESSONS365 • 04/07/2019 – CURRENT
I am the lead developer for the GuitarLessons365.com Web App. I created the entire app alone, which consists of over 60 unique exercises across 7 courses.

BAR STAFF • NEW COUNTY • 16/09/2016 – 30/4/2019
I would work alone during my shifts as the pub is small. On a daily basis I would run the bar, serving drinks and taking payments, secure the till at the end of the night and lock up the building.

EDUCATION
